

Thank you for being a generous sponsor, bringing rest and healing through our Woodland Prayer Trails

Join us in completing the trails by the end of this year.

Dear Friend of New Song Sanctuary,

These past two years, volunteers have labored for hundreds of hours, building nearly two miles of beautiful trails ascending gently from creek bottom to ridges, and overlooking ravines and vast woods. With only about a half mile to finish, we are in earnest about the finishing touches, the printed prayers, the seating, the tiny private chapels, the signs.

You can help make this sacred experience a reality for our guests for years to come. We are in the final stretch — and we need your help to carry this ministry across the finish line by 2027.

Thank you for helping us raise the **\$40,000** needed to finish the trails. Your gift, large or small, is part of the healing and the hope.

A Special Request

Do you know a Polywood dealer or representative who might be willing to donate the chairs and benches for our trails? An in-kind gift of furniture would free up \$5,000 toward the chapels, bridges, and signage. If you have a connection, we would love an introduction!

Thank you for your generosity; for walking this trail with us.

Your gift — whether it builds an entire chapel, a bridge, or sponsors a psalmist— becomes a permanent part of this sanctuary. Together, we can invite our sisters to come away, by January 2027.

To give, or to talk with us about a specific project you would like to sponsor, please contact us today. Or click the button to donate. Thank you for walking this path with us. Thank you for joining the song.

With gratitude,

New Song Sanctuary
